

Message from the Managing Director

To the Scholastica family,

This year has been a stimulating and eventful one. As ever, our students have found ways to excel in the world of academia, the arts and sports, and our graduates are going on to challenging higher education opportunities. We continue to be proud of their achievements, and thankful to our hard-working faculty, management and non-management for supporting our students in all their efforts. Read more about the past year's events in the following pages.

We are happy with the kind of education we are imparting in Scholastica—we try to ensure that our classes are student-centered and engaging, that learning is active and hands-on, and that teaching is relevant and effective. We focus on developing skills and conceptual understanding so that our students can prepare for their lives ahead with confidence. Our additional efforts in afterschool programs and clubs, events and functions are designed to provide opportunities for students to grow, develop talents and nurture their whole selves.

But we never rest on our laurels and we never stop working to do better. Our Curriculum Development Unit and Training & Development units on each campus continue their work on upgrading the quality of our academics and teaching with training programs and workshops, and the development of more engaging and varied lesson plans and resources. Every year, we introduce new books, work on upgrading our curriculum and resources, and continue to develop our infrastructure. So far, the feedback from all our endeavors has been very positive, which gives us the motivation to keep on developing and innovating!

Next year, we have numerous plans for further development and improvement and I will write to you about those from time to time. But, before I talk too much of the future, I would like to ask you to take a few minutes now to read about our achievements and glories of the past year. Have a wonderful and restful summer, happy holidays and we look forward to seeing you all again in July 2019!

Warm regards,

Madiha Murshed

An Update on Curriculum Planning

As we continue to upgrade and restructure our junior school curriculum, next year we will introduce a restructured KGII program. In addition to the revised curriculum and introduction of new subjects - Ethics & Religions and Social Studies – the teaching methodology has been upgraded to include more hands-on activities and student-centered learning. To complement the curriculum, our classrooms and teaching resources have also been updated. Our faculty and management team are busy doing workshops and training programs to get ready for the transition. We look forward to welcoming our rising kindergarteners to the new classes.

We are also revamping the way we teach English and Bangla in the junior schools to make the language learning process more practical and based on modern teaching methods that focus on the four skills of communication. Our curriculum was already quite student-centered and practical but we are working on further upgrading it and also our teaching resources to encourage greater independence of students and provide a more comprehensive approach to language learning.

As you know, a significant development this year was the introduction of revised curriculum for Bangladesh and Global Studies from junior classes up to Class VI. Next year, revised curriculum for Bangladesh Studies, History and Geography is also being introduced in Class VII and VIII. The curriculum takes a concept-based approach to social studies with hands-on activities, student centered learning and a focus on making connections to the real world.

We are also continuing to offer more diversified novels, poems and short stories in Bangla Literature in the higher classes and hope this will further help students to develop their language skills in their mother tongue.

Awareness Programs

Discipline month

Discipline month was celebrated at all the Junior Campuses where students received gold and silver badges for being disciplined and well mannered.

Bring out the Best in You

Junior campuses in Uttara and Dhanmondi organized 'Bring out the Best in You' to help students understand that every one of them is special in their own way.

Career Week

The event was organized in both senior campuses by the University Placement Services office where professionals were invited to share their thoughts and unique experiences with the students.

Let's Be Fit and Clean

The event was organized for the young learners of Junior campuses in Uttara and Gulshan, to make them aware about how to stay fit and why good habits are necessary to have a healthy life.

Say No to Drugs, Say Yes to Good Health

Senior Mirpur conducted the program to educate the young minds on various aspects of addiction and guide them on positive thinking, dealing with peer pressure, supporting each other and learning the importance of ensuring psychological well-being.

Mind Your Manners

Students from all Junior Campuses presented amazing skits and songs about good manners and good behavior in front of their parents and teachers.

Awareness Week - Personal Hygiene

Senior Mirpur observed a weeklong awareness program and discussed about minimizing the risk of contamination, and how to enhance overall health and follow basic personal hygiene habits at all times.

Let's Be Healthy and Clean

Junior Dhanmondi staged a show which included rhymes and an awareness campaign on "How to be healthy and clean".

World Book Day

To promote the interest of reading in students, Senior Mirpur celebrated the day by arranging a book fair in the campus.

Earth Day

The theme of the day, 'Save the Planet' was reflected through a role play in Senior Mirpur to help raise awareness among the students about conservation of natural resources.

Community Service This Term

At the Annual Sports of Junior Dhanmondi, students from Utsho Bangladesh school performed to showcase their physical strength, concentration and perseverance in action. Utsho Catering set up a free stall in the Boishakhi Mela at Junior Dhanmondi campus. The Junior Dhanmondi also agreed to support to set up a preschool named "Ariel" for underprivileged students in Rayer Bazar.

Junior Gulshan invited students of Abinta Kabir Foundation School to participate in the Annual Sports as a collaborative effort to share the field together. In order to provide pure drinking water for all students and teachers of Abinta Kabir Foundation School, Junior Gulshan paid to install an electric water purification system in their campus.

Community Service Club of Senior Mirpur raised funds from the Boishakhi Mela. They also invited students from Ahsania Mission School to participate and perform in national events such as 21st February (*Ekushey February*), and the Birth Anniversary Celebration of Bangabandhu Sheikh Mujibur Rahman.

Senior Uttara invited the students of Abhijatrik School to enjoy the plays at the Inter School Theatre Festival.

Success Stories

Shafkat Wahid Pritom, 2017 Graduate from Senior Mirpur, has won the prestigious Jefferson Scholarship to attend the University of Virginia, one of the most highly selective merit

scholarships in the United States. He has also received the Cornelius Vanderbilt Scholarship and offers from Ivy League Universities such as Brown University and Duke University.

Tausif Hossain, a graduate from Senior Mirpur, has secured a place at Yale University. After completing his A' levels, Tausif worked on some research projects, did community work and

mentored youth before applying to university.

Syed Afnan Huq from Senior Mirpur has secured a place at the School of Industrial and Labor Relations at Cornell University. Apart from co-founding Scholastica's magazine club, he did an

internship at the Bangladesh Parliament Secretariat while still in high school.

Jubayer Ibn Hamid from Senior Mirpur has been admitted to Stanford University. We are all inspired by his passion, determination and accomplishments.

Muqueet Mohsen Chowdhury from Senior Mirpur received the prestigious Lester B. Pearson International Scholarship from the University of Toronto after competing with

hundreds of applicants. He also received offers from UC Berkley and the London School of Economics.

Congratulations to all!

স্কলাস্টিকায় 'মোয়ানা' মঞ্চস্থ

স্কলাস্টিকা মিরপুর সিডির শাখার বার্ষিক নাটক মোয়ানা গভীর আনন্দের মঞ্চস্থ হয়েছে। ছুন্দের ড্যান্স ড্রামা ও মিউজিকাল ড্রামের প্রযোজনায় নাটকটি পরিচালনা করেন সুবর্ণা শাহমিন ও সহকারীরা জাহান। ছিট্টার থেকে লঙ্কায় ছেদিত শিকড়ের অংশগ্রহণে নাটকের বিভিন্ন চরিত্র আঁকিয়ে করে ওয়ালানা চৌধুরী, মিতা মালিক বেগম, ফাহানা ইসলাম, সোম্য ইয়াসমিন, আরশিয়া ইয়াসমিন প্রমুখ। এ ছাড়া নাট ও গানে ছুন্দের শিক্ষার্থীরা অংশ নেন। ছুন্দের এসটিএম মিলনায়তনে মঞ্চায়ন অনুষ্ঠানে প্রধান অতিথি ছিলেন নাটকের চরিত্র সিইও অধ্যক্ষ নূর তুহান। স্বাগত ভাষণ দেন ছুন্দের সিডির ভাইস প্রিন্সিপাল ও শাখা প্রধান ফারাহা সোমিয়া আহমেদ। শিক্ষার্থীদের মনোমুগ্ধকর অভিনয় উপভোগ করেন নিবন্ধনস্বত্বের শিক্ষার্থী, শিক্ষক, অভিভাবক ও অতিথি।

'মোয়ানা' হচ্ছে অতিমান-প্রিয়, গ্রন্থক ইচ্ছাশপিত, সুস্থ মনোবিশেষের এক তরঙ্গী, যে তার জ্ঞানপটকে বীজতে এক দুঃস্বপ্নেরী অভিব্যক্তি সঙ্গমে যাত্রা শুরু করে। এ যাত্রাপথে সঙ্গভুক্ত হতে সে নানা ধরনের ঝামেলিপত্রির সম্মুখীন হয়। তবে সে ধরনের চ্যালেঞ্জ মোকাবিলা করে প্রত্যাশিত আত্মপ্রতিমা বুঁকে পারে। নিজস্ব
